

# Consignment made **easy**

# \$25 Off\*

see reverse for details

## Here's How It Works

First, we preview your goods either in the store or in your home. You'll need to send or bring us photographs of your items in advance of setting a home appointment. You can email photos to [photos@theconsignmentwarehouse.com](mailto:photos@theconsignmentwarehouse.com).

After seeing your photos, we will schedule the appointment to see your goods in person.

Our split will be 50/50, with a consignment period of 90 days. Most items sell very quickly; in fact, our average turnover is two weeks. If yours do not sell, we can arrange to donate them, or return them to you. Pickup and delivery is available (call for details).
